My dear brother in Divine,

Sat Nam. The Siri Singh Sahib has gratefully received your request for a spiritual name. He has blessed you to live as Devmurti Singh, the lion who is God's angelic personification.

Meditate on your spiritual name; live your destiny and connect with your Creator. May you excel in the Age of Aquarius and light up the universe as you move from the finite to the Infinite. Now is the time to meditate on God's Name and prevail.

May God and Guru bless you and guide you, now and forever. In the Name of the Cosmos which prevails through everyBODY and the Holy Nam which holds the world.

Humbly yours,

Siri Hari Kaur Khalsa
Executive Secretary
